

# Strive Recruitment

## Grandnanny

Grandnanny is a new kind of childcare service that's connecting communities across generations to make childcare more flexible, local, and rewarding.

We match working parents and their family with midlife+ neighbours who have professional or personal childcare experience. We provide trusted and reliable childcarers and rewarding employment.

### Roles available:

We have a growing amount of GrandNanny roles available all over London, particularly in the South East.

### Normal duties include:

- Caring for the health, safety, and wellbeing of one or more children after-school
- Collecting from school and returning to the family home
- Cooperating with the Employer to achieve a healthy and safe environment for yourself and others.
- Arranging and supervising appropriate activities after school, including homework
- Keeping the children's bedroom and playroom clean and tidy, possibly laundering the children's clothes
- Taking the children to pre-arranged activities, play dates, birthday parties etc.
- Preparing or re-heating nutritious meals
- Keeping the kitchen clean and tidy

### Requirements for the role:

- Qualified individuals in the area of Health & Social Care.
- Great caring attitude, willingness to work as they have attended the course with the view to applying in this sector.
- Keen and motivated
- Reliable as attended duration of course.
- Experienced and skilled in some cases but having been out of work so need the extra support with applications/confidence/self-esteem.
- Upskilled and ready with CV and interview prepared.
- Screened candidates ready to match their criteria for the role.

### Application process:

Apply through our website using our clear and simple form and then let Strive Recruitment know so they can inform the employer and gain feedback on your application status and progress.

**Any other information:**

We are an age-friendly employer committed to tackling Ageism and creating intergenerational connections. We are particularly interested in hearing from midlife+ applicants with personal or professional childcare experience.
